Fashions of the First Ladies-Ming-Ju Sun 2001-12-20 From Martha Washington to Michelle Obama, 46 illustrations portray the nation's First Ladies and official hostesses in this informative coloring book. Many of the First Ladies are depicted in their inaugural gowns."

Fashions of First Ladies Paper Dolls-Tom Tierney 2006-05-26 Shimmering inaugural gowns, classic day wear, and casual outfits for everyone — from Mamie Eisenhower and Jackie Kennedy to Hillary Clinton and Michelle Obama. 11 dolls, 32 costumes.

The Smithsonian First Ladies Collection-Lisa Kathleen Graddy 2014-04-01 Admire the nationally famous collection of first ladies' gowns and learn about the contributions made by the women who wore them The Smithsonian First Ladies Collection is a beautifully illustrated book inspired by one of the most popular attractions at the Smithsonian: the first ladies exhibit at the National Museum of American History. This striking book showcases the treasures from first ladies throughout history, ranging from Martha Washington's silk dress and dressing mirror to Michelle Obama's 2009 inaugural gown and jewelry. These and many other unforgettable objects—including gowns, tableware, and invitations from beloved first ladies such as Mamie Eisenhower, Jacqueline Kennedy, Barbara Bush, Hilary Clinton, and more—tell the story of the first ladies as public and private figures. They illustrate how these women, thrust into an influential and visible role by happenstance of marriage, adapted themselves and the role of first lady by taking on responsibilities as campaigners, hostesses, and policy advocates. The Smithsonian First Ladies Collection features many treasures not on view at the exhibit. Complete with an insider's look at the acquisition, conservation, and exhibition of the pieces as well as a timeline of all forty-six first ladies, this is a must-have for anyone fascinated by these incredible women and their roles in American culture and political life.

Old-Time Children's Fashions Coloring Book-Ming-Ju Sun 2005-11 What did boys and girls wear during the early 1900s? Thirty pages of colorable illustration — based on authentic merchandise in Sears catalogs from 1901 through 1921 — provide some answers. For special occasions, girls looked splendid in frilly dresses with lots of lace and ruffles. Knee-length trousers and high-top boots were popular with boys. Both favored hats. Coloring book fans and fashion mavens will treasure this collection and its delightful glimpse of early-20th-century styles for kids.

Fashions and Costumes from Godey's Lady's Book-Stella Blum 2013-01-17 Over 400 striking fashion designs from rare issues of Godey's Lady's Book (1837-1869) — the most influential women's magazine of the period. Introduction and captions. 435 designs, 42 in full color.

Michelle Obama-Susan Swimmer 2009 Details the development of Michelle Obama's fashion sense; compares it to other recent first ladies' looks; and depicts her outfits on different occasions and her use of such signature

styles and items as sleeveless tops, cardigans, and pearl necklaces.

Godey's Fashions-Ming-Ju Sun 2005-06-28 Superbly rendered illustrations, adapted from Godey's Lady's Book, a rare nineteenth-century fashion magazine, provide authentic views of evolving Victorian modes of apparel — from lace-edged necklines and elongated bodices to fitted bonnets and extravagant bustles. Thirty ready-to-color illustrations depict lavish dresses and gowns of velvet and damask; smart riding outfits trimmed with braid and gilt; an elegant cashmere shawl, children's outfits; as well as hair ornaments, footwear, and other accessories. A lovely collection that offers an authentic glimpse of what well-dressed ladies and youngsters of the Victorian era were wearing, this is a must-have for coloring book fans, costume designers, and cultural historians.

Colonial and Early American Fashions-Tom Tierney 1998-01-01 Forty-five accurate depictions of 17th-century Puritans, an indentured servant, an English officer and his lady, pirates, a colonial merchant's family of the mid-1700s, more. Descriptive captions.

Civil War Fashions Coloring Book-Tom Tierney 1997-06 For colorists of all ages 45 striking illustrations of officers in handsome military outfits, ladies in elegant daytime and evening dresses and children in apparel mirroring adult fashions. Captions. "

Fashion and Politics-Djurdja Bartlett 2019-01-01 In this incisive book, leaders from international fashion research and artistic practices probe the nuanced relationship between fashion and politics.

Civil War Ladies-R. L. Shep 1989

Why They Wore It-Carl Sferrazza Anthony 2018-08 The fashion favorites and sartorial specialties of our First Ladies have regularly been examined for their dazzling looks and designer couture. But rarely have First Ladies' tastes and styles been appreciated within a fuller - and deeper - political and popular culture context. *Why They Wore It: The Politics & Pop Culture of First Ladies' Fashion* thoroughly examines how each First Lady used her favorite styles to advance her own - and her husband's - agenda, by embracing special causes and promoting political positions. This book gives particular focus to First Lady Pat Nixon - who, for more than 30 years, unintentionally had the most overt impact of any First Lady on the nexus of politics and popular culture.

Chinese Fashions-Ming-Ju Sun 2002 Tegninger af traditionelle kinesiske klædedragter

Free, Melania-Kate Bennett 2019-12-03 The first behind-the-scenes look at the life of the most enigmatic First Lady in U.S. history Melania Trump is an enigma. Regardless of your political leanings, she is fascinating—a First Lady who, in many ways, is the most modern and groundbreaking in recent history. A former model whose beauty

in person leaves people breathless, a woman whose upbringing in a communist country spurred a relentless drive for stability, both for herself and for her family. A reluctant pillar in a controversial presidential administration who speaks five languages and runs the East Wing like none of her predecessors ever could—underestimate her at your own peril (as a former government official did and was summarily fired). But who is she really? In *Free, Melania* we get an insider's look at Melania Trump, from her childhood in Slovenia to her days in the White House, and everything in between. We see the Trump family dynamics that Melania has had to navigate, including her strained relationship with Ivanka. We get a rare glimpse into what goes into her famous and sometimes infamous clothing choices (including perhaps the real message behind Melania's controversial jacket, "I Really Don't Care, Do U?", which she wore while visiting the U.S.-Mexico border), and how a publicly quiet Melania actually speaks very loudly—if you just know where, and how, to listen. And we get a behind-the-scenes look at her often eyebrow-raising relationship with Donald Trump, from their beginnings to becoming the most unusual First Family in modern history. Looking at Melania in the pantheon of historic First Ladies, Kate Bennett shows just how different Melania Trump is and why she matters. Bennett, an expert on First Ladies, has unparalleled access to Melania's very small and loyal inner circle. As she shows in this page-turning book, the seemingly most reluctant First Lady is, in many ways, the most compelling and complex First Lady, ever.

Creative Haven Fabulous Fashions of the 1950s Coloring Book-Ming-Ju Sun 2015-12-10 Step back in time with 31 pages of styles from the 1950s. Then play fashion designer by adding color to men's and women's outfits, from full skirts to cardigans and capris.

Victorian Fashions Coloring Book-Tom Tierney 1997-07-10 The full-skirted, narrow-waisted styles of the Victorian society appear in a lavish collection of 45 ready-to-color line drawings. Lovingly adapted from vintage fashion magazines of the era. Captions.

Zero Fail-Carol Leonnig 2021-05-18 NEW YORK TIMES BESTSELLER • “This is one of those books that will go down as the seminal work—the determinative work—in this field. . . . Terrifying.”—Rachel Maddow The first definitive account of the rise and fall of the Secret Service, from the Kennedy assassination to the alarming mismanagement of the Obama and Trump years, right up to the insurrection at the Capitol on January 6—by the Pulitzer Prize winner and #1 New York Times bestselling co-author of *A Very Stable Genius* and *I Alone Can Fix It* Carol Leonnig has been reporting on the Secret Service for *The Washington Post* for most of the last decade, bringing to light the secrets, scandals, and shortcomings that plague the agency today—from a toxic work culture to dangerously outdated equipment to the deep resentment within the ranks at key agency leaders, who put protecting the agency's once-hallowed image before fixing its flaws. But the Secret Service wasn't always so troubled. The Secret Service was born in 1865, in the wake of the assassination of Abraham Lincoln, but its story begins in earnest in 1963, with the death of John F. Kennedy. Shocked into reform by its failure to protect the president on that fateful day in Dallas, this once-sleepy agency was radically transformed into an elite, highly trained unit that would redeem itself several times, most famously in 1981 by thwarting an assassination attempt against Ronald Reagan. But this reputation for courage and excellence would not last forever. By Barack Obama's presidency, the once-proud Secret Service was running on fumes and beset by mistakes and alarming lapses in judgment: break-ins at the White House, an armed gunman firing into the windows of the residence while confused agents stood by, and a massive prostitution scandal among agents in Cartagena, to name just a few. With Donald Trump's arrival, a series of promised reforms were cast aside, as a president disdainful of public service instead abused the Secret Service to rack up political and personal gains. To explore these problems in the ranks, Leonnig interviewed dozens of current and former agents, government officials, and whistleblowers who put their jobs on the line to speak out about a hobbled agency that's in desperate need of reform. “I will be forever grateful to them for risking their careers,” she writes, “not because they wanted to share tantalizing gossip about presidents and their families, but because they know that the Service is broken and needs fixing. By telling their story, they hope to revive the Service they love.”

Dress Codes-Richard Thompson Ford 2021-02-09 A revelatory exploration of fashion through the ages that asks what our clothing reveals about ourselves and our society. Dress codes are as old as clothing itself. For centuries, clothing has been a wearable status symbol; fashion, a weapon in struggles for social change; and dress codes, a

way to maintain political control. Merchants who dressed like princes and butchers' wives wearing gem-encrusted crowns were public enemies in medieval societies structured by social hierarchy and defined by spectacle. In Tudor England, silk, velvet, and fur were reserved for the nobility and ballooning pants called “trunk hose” could be considered a menace to good order. The Renaissance era Florentine patriarch Cosimo de Medici captured the power of fashion and dress codes when he remarked, “One can make a gentleman from two yards of red cloth.” Dress codes evolved along with the social and political ideals of the day, but they always reflected struggles for power and status. In the 1700s, South Carolina's “Negro Act” made it illegal for Black people to dress “above their condition.” In the 1920s, the bobbed hair and form-fitting dresses worn by free-spirited flappers were banned in workplaces throughout the United States and in the 1940s the baggy zoot suits favored by Black and Latino men caused riots in cities from coast to coast. Even in today's more informal world, dress codes still determine what we wear, when we wear it—and what our clothing means. People lose their jobs for wearing braided hair, long fingernails, large earrings, beards, and tattoos or refusing to wear a suit and tie or make-up and high heels. In some cities, wearing sagging pants is a crime. And even when there are no written rules, implicit dress codes still influence opportunities and social mobility. Silicon Valley CEOs wear t-shirts and flip flops, setting the tone for an entire industry: women wearing fashionable dresses or high heels face ridicule in the tech world and some venture capitalists refuse to invest in any company run by someone wearing a suit. In *Dress Codes*, law professor and cultural critic Richard Thompson Ford presents an insightful and entertaining history of the laws of fashion from the middle ages to the present day, a walk down history's red carpet to uncover and examine the canons, mores, and customs of clothing—rules that we often take for granted. After reading *Dress Codes*, you'll never think of fashion as superficial again—and getting dressed will never be the same.

What Happened-Hillary Rodham Clinton 2017-09-12 “An engaging, beautifully synthesized page-turner” (Slate). The #1 New York Times bestseller and Time #1 Nonfiction Book of the Year: Hillary Rodham Clinton's most personal memoir yet, about the 2016 presidential election. In this “candid and blackly funny” (The New York Times) memoir, Hillary Rodham Clinton reveals what she was thinking and feeling during one of the most controversial and unpredictable presidential elections in history. She takes us inside the intense personal experience of becoming the first woman nominated for president by a major party in an election marked by rage, sexism, exhilarating highs and infuriating lows, stranger-than-fiction twists, Russian interference, and an opponent who broke all the rules. “At her most emotionally raw” (People), Hillary describes what it was like to run against Donald Trump, the mistakes she made, how she has coped with a shocking and devastating loss, and how she found the strength to pick herself back up afterward. She tells readers what it took to get back on her feet—the rituals, relationships, and reading that got her through, and what the experience has taught her about life. In this “feminist manifesto” (The New York Times), she speaks to the challenges of being a strong woman in the public eye, the criticism over her voice, age, and appearance, and the double standard confronting women in politics. Offering a “bracing... guide to our political arena” (The Washington Post), *What Happened* lays out how the 2016 election was marked by an unprecedented assault on our democracy by a foreign adversary. By analyzing the evidence and connecting the dots, Hillary shows just how dangerous the forces are that shaped the outcome, and why Americans need to understand them to protect our values and our democracy in the future. The election of 2016 was unprecedented and historic. *What Happened* is the story of that campaign, now with a new epilogue showing how Hillary grappled with many of her worst fears coming true in the Trump Era, while finding new hope in a surge of civic activism, women running for office, and young people marching in the streets.

The Lost Art of Dress-Linda Przybyszewski 2014-04-29 A history of the women who taught Americans how to dress in the first half of the 20th century—and whose lessons we'd do well to remember today.

Fashions of the Old South Coloring Book-Tom Tierney 2004-11-01 Clothing worn by plantation society shortly before the beginning of the Civil War. This collection of 29 carefully researched illustrations captures the fine details of these garments, which include walking costumes, evening gowns, morning and afternoon dresses, and wedding apparel for women, as well as suits, vests, trousers, and handsome military uniforms.

Melania Trump-L. D. Hicks 2019-12-03 A stunning photo collection showcasing Melania Trump's time as First Lady of the United States. Melania Trump's journey from a communist upbringing to becoming First Lady gives her a perspective on true freedom that most people from western Europe and the United States take for granted. This book details in photographs and commentary the spectacular journey of a woman who brings elegance back to the White House. Fashion-forward and sophisticated, but also incredibly approachable and humble—her personal staff is less than half the size of the previous two First Ladies—Mrs. Trump is a political and cultural icon whose impact on history will surely be momentous.

An outdoor ensemble trimmed in fur and a bridal gown of ruffles and lace are among the lavish outfits in this delightfully rendered collection.

Melania and Me-Stephanie Winston Wolkoff 2020-09-01 #1 NEW YORK TIMES BESTSELLER What Melania wants, Melania gets. The former director of special events at Vogue and producer of nine legendary Met Galas, Stephanie Winston Wolkoff met Melania Knauss in 2003 and had a front row seat to the transformation of Donald Trump's then girlfriend from a rough-cut gem to a precious diamond. As their friendship deepened over lunches at Manhattan hot spots, black-tie parties, and giggle sessions in the penthouse at Trump Tower, Wolkoff watched the newest Mrs. Trump raise her son, Barron, and manage her highly scrutinized marriage. After Trump won the 2016 election, Wolkoff was recruited to help produce the 58th Presidential Inauguration and to become the First Lady's trusted advisor. Melania put Wolkoff in charge of hiring her staff, organizing her events, helping her write speeches, and creating her debut initiatives. Then it all fell apart when she was made the scapegoat for inauguration finance irregularities. Melania could have defended her innocent friend and confidant, but she stood by her man, knowing full well who was really to blame. The betrayal nearly destroyed Wolkoff. In this candid and emotional memoir, Stephanie Winston Wolkoff takes you into Trump Tower and the White House to tell the funny, thrilling, and heartbreaking story of her intimate friendship with one of the most famous women in the world, a woman few people truly understand. How did Melania react to the Access Hollywood tape and her husband's affair with Stormy Daniels? Does she get along well with Ivanka? Why did she wear that jacket with "I really don't care, do u?" printed on the back? Is Melania happy being First Lady? And what really happened with the inauguration's funding of \$107 million? Wolkoff has some ideas...

The Dresses of the First Ladies of the White House-Margaret Brown Klaphor 1952 The dresses of the First Ladies of the White House, now exhibited in the U.S. National Museum, form one of the most popular and famous costume collections in America. The idea of a period-costume collection for the Museum originated in the early 1900's.

The Fashion Coloring Book-Sharon Lee Tate 1984 Discusses the basics of fashion design and offers advice on the selection of clothing colors and styles to create an individual image

Creative Haven Fantasy Fashions Coloring Book-Ming-Ju Sun 2017-06-21 Challenging and fun for fashionistas and colorists, these 31 illustrations showcase an original collection of stylish outfits. The beautifully detailed garments are worn by stunning models and decorated with floral prints and abstract patterns.

In the Shadow of the White House-Jo Haldeman 2018-11-13 For her first forty years, Jo Haldeman's life followed a conventional path. While her husband, Bob, built his career in advertising, Jo comfortably settled into her role as mother of four, housewife, and community volunteer. In 1968, Jo's world changed dramatically. Richard Nixon was elected President of the United States, and Bob was offered the job of a lifetime--White House Chief of Staff. As Jo and Bob discussed the opportunities and challenges that this move would entail, little did she anticipate the course that her life, and her relationship with Bob, would take over the next ten years. In this insightful, poignant, and guileless memoir of those ten years, Jo shares her story as the wife of H. R. Haldeman, often referred to as the second most powerful person in the White House. She offers a window into the world of trips on Air Force One, weekends at Camp David, and events at the White House, as well as family vignettes and the growing stresses of her husband's demanding job. Then a bungled burglary at the Watergate erupted into a

national scandal. The news began to feature the Haldeman name. Blaring headlines and vicious political cartoons accompanied new revelations of a cover-up. Multiple investigations and Senate hearings followed. Criminal proceedings loomed. Jo's compelling account takes the reader on her journey from the heady heights of Washington life through an excruciating public resignation and trial to her husband's conviction and imprisonment. In a true period piece, Jo illuminates the story of the "woman behind the man" and personalizes the Watergate experience. Enhanced by her personal photographs and the immediacy of her present tense delivery, *In the Shadow of the White House* is a fascinating work of nonfiction that reads like a novel.

American Grown-Michelle Obama 2012 Describes how the First Lady and her daughters planted a vegetable garden on the White House's South Lawn as part of an initiative to raise awareness about childhood obesity, and shares gardening tips, recipes, and advice for making healthier food choices.

Creative Haven Fabulous Fashions of the 1970s Coloring Book-Ming-Ju Sun 2020-02-12 Thirty-one memorable outfits range from the hippie carryovers of bell-bottom jeans, peasant blouses, and maxi dresses to mid-decade tailored blazers and pantsuits to carefree disco dresses of the late '70s.

Pink and Blue-Jo Barraclough Paoletti 2012 Jo B. Paoletti's journey through the history of children's clothing began when she posed the question, "When did we start dressing girls in pink and boys in blue?" To uncover the answer, she looks at advertising, catalogs, dolls, baby books, mommy blogs and discussion forums, and other popular media to examine the surprising shifts in attitudes toward color as a mark of gender in American children's clothing. She chronicles the decline of the white dress for both boys and girls, the introduction of rompers in the early 20th century, the gendering of pink and blue, the resurgence of unisex fashions, and the

origins of today's highly gender-specific baby and toddler clothing.

Spoken From the Heart-Laura Bush 2010-05-04 In a captivating and compelling voice that ranks with many of our greatest memoirists, Laura Bush tells the story of her unique path from dusty Midland, Texas to the world stage and the White House. An only child, Laura Welch grew up in a family that lost three babies to miscarriage or infant death. She masterfully recreates the rugged, oil boom-and-bust culture of Midland, her close relationship with her father, and the bonds of early friendships that she retains to this day. For the first time, in heart-wrenching detail, she writes about her tragic car accident that left her friend Mike Douglas dead. Laura Welch attended Southern Methodist University in an era on the cusp of monumental change. After graduating, she became an elementary school teacher, working in inner city schools, then trained as a librarian. At age thirty, she met George W. Bush, whom she had last passed in the hallway in seventh grade. Three months later, 'the old maid of Midland married Midland's most eligible bachelor'. As First Lady of Texas, Laura Bush championed education and launched the Texas Book Festival, passions she brought to the White House. Here, she captures presidential life in the frantic and fearful months after 9-11, when fighter jet cover echoed through the walls. She writes openly about the threats, the withering media spotlight, and the transformation of her role. One of the first U.S. officials to visit war-torn Afghanistan, she reached out to disease-stricken African nations and tirelessly advocated for women in the Middle East and dissidents in Burma. With deft humor and a sharp eye, Laura Bush lifts the curtain on what really happens inside the White House. And she writes with honesty and eloquence about her family, political life, and her eight remarkable Washington years. Laura Bush's compassion, her sense of humour, her grace, and her uncommon willingness to bare her heart make this story deeply revelatory, beautifully rendered, and unlike any other First Lady's memoir ever written.
