Spy Mom-Beth McMullen 2012-06-12 Fall in Love with Sally Sin One Unforgettable Heroine 2 X the Adventure Meet Sally Sin. Wife. Mother. Retired Spy. Or so she thinks. After nine years with the USAWMD (United States Agency for Weapons of Mass Destruction)--where she desperately tried to stay one step ahead of her dashing nemesis, Ian Blackford--Sally has become Lucy Hamilton, stay-at-home mom to Theo and wife to adoring husband, Will, who knows nothing of her covert past. But now, instead of chasing bad guys through perilous jungles, she builds giant Lego towers, reads Green Eggs and Ham, and crafts exceptional forts from couch cushions and blankets. Just when she's starting to settle into retirement, Sally's old Agency boss, Simon Still, shows up to recruit her for one more job, involving the illegal arms dealer, Blackford, who is on the move again. Original Sin features Sally's great chase to thwart Blackford, who, conveniently, no one besides her seems to be able to stop. But can she make it to preschool pickup, get dinner on the table, and foil Blackford's nefarious plot? And just when you think the thrills are over, you'll be ready To Sin Again. When the Agency Director is taken hostage, Sally is once again called into action. A rescue operation? Easy. That is, until Sally learns of a connection between the kidnapping and her own mysterious childhood, which complicates everything, even Theo's kindergarten applications. Being a mom is hard enough, without having to save the world. Funny, fast-paced, and compulsively readable, Spy Mom offers two action-packed adventures for mothers and spies, and anyone who has ever dreamed about being either.
